

DOING BUSINESS WITH THE NATIONAL PARK SERVICE

Thursday, June 3rd
9:00 – 11:00am CST
Virtual

About the Webinar:

The National Park Service (NPS) works with private businesses, non-profit organizations, and individuals to preserve natural and cultural resources and to create enjoyable experiences for you and millions of park visitors.

Are you interested in offering services to park visitors? The National Park Service works with over 5,000 businesses to provide high-quality visitor experiences, ranging from lodging to recreational tours, through concession contracts and commercial use authorizations.

In FY2020 the NPS spent over \$895 million to support their mission.

Presentations From:

- National Park Service
- U.S. Small Business Administration
- Wisconsin Procurement Institute (WPI)
- Northwest Michigan PTAC
- Ponca Economic Development Corporation – PEDCO PTAC
